A LADY INVENTOR.

EAGLE published a cut of a window washer invented and patented by Ella A. Stauffer of this city, an ingenious yet the full strength of the company is re-simple device to enable anyone to wash quired to complete the cast. No one the outside of windows while standing ou the inside, with the least possible effort. It saves the necessity of taking out the sash on the one hand or exposing the per-son to the chances of a fall on the other. It is said to be so convenient and simpl that it would be but little trouble to wash the windows every day or two. Miss Stauffer has been awarded a medal by the Paris exposition for her invention notification of which fact she has received through Mr. Peter Telzea of El Dorado, writes of letters and propositions from London patent right dealers who are anxious to nandle or buy the invention. A day or two since a San Francisco patent right firm who had been inquiring into the merits of the device, wrote to her for the right terest and in such union there was the letter is answered in the Eagle by strength, and when properly used exagain announcing that the dates of the Stauffer does not intend to manufacture, reunion are the 21st and 23nd of this herself, but will sell state and city rights for the exclusive manufacture and sale of Mr. Telzen says he belongs to the 19th her washer, and she can be addressed Wisconsin regiment, is 81 years old and through the post office of this city, or consulted at her rooms. She, herself, is satis nied by his wife and two children. He adds fied that the invention is a valuable one, that a number of others of his friends will which will be found very useful and popular, if not indispensable

INCREASING TRADE,

While it is not denied that in aim every town of the west, important enough to be known as a trade center, not excepting the cities of Omaha and Kansas City, business has been languishing and is still so sluggish as to distress dealers, it is a fact that the local retail as well as the wholesale trade of Wichita is rapidly increasing. There has been hardly a day in a month that we have not been stopped by ed at cost of defendant ome dealer with the announcement that his trade was far surpassing that of a year ment for plaintiff for \$300. ago or of two years ago, etc., they generally naming a per cent in which the present fall trade was exceeding that has been a leading dealer for a number of years, assured us that his trade for Sept- posed of. ember and the first half of October had been just 100 per cent. greater than for the same time last year. These assurances are most gratifying. While they speak, in unmistakable terms, of increasing business for Wichita, they indicate a revival of bet ter times all around. A renewal of pros-perity for southern Kansas will, unquestonably, find its first indication in its metropolis and trade center, and as the impulse is already and strongly being felt by Wichita we may reasonably expect better times in the near future for all of our

THE SACRED LILY.

The "Joss Flower" or "Flower of the Gods," and codsidered by the Chinese to be an emblem of good luck. ## MUNSON & MCNAMARA.

## NEW YORK STORE

Every department is running over with new goods.

Our dress goods department is very complete with a great many novelties that are exclusive to us. You will be pleased at the freshness shown in this department.

We all know the tariff has affected table linens and napkins, this will make no difference with us, as the stock will be sold regardless of tariff.

More novelties in the notion department than ever before shown by us.

Underwear department is just simply immense, up to the ceiling, no room for it, and this week we are in shape to show it, and to make prices that will suit.

Cloak Department. This is not a tame department. We have a much larger room and are showing a great many new and choice styles.

Carpets and Curtains. The banner department. Do not buy a carpet or curtain until you visit this department.

Inspect our store this week, and see for yourself if we have told you one half the good things we have in store for you.
